**Bulletin #2010-005 24 – June - 2010**

Subject:
Footwear and First Aid kit clarifications

Overview:
Effective immediately, the following rule changes go into effect:

1. Add the following to Article 5.2:

   F. All competitors must wear shoes and socks while on stage. The shoes must cover the entire foot. The driving suit and sock must fully cover the competitor's skin from leg to foot.

   Rationale:
   This requirement was previously implicit. This new rule makes the requirement explicit.

2. In Article 6.4.A.17.a, replace "latex gloves" with "medical exam gloves".

   Rationale:
   Some people are allergic to latex gloves, so the phrase was changed to something more generic to allow for non-latex medical exam gloves.
